

## **Privacy Policy**

### **Statement**

M&E Ltd. is dedicated in delivering to you our customers, sustainable integrated solutions in the fields and online. M&E Ltd. is committed to respect and maintain your online privacy at all times. This privacy policy is being presented to you as a guide as to what information will be collected from you via the use of our website 'me-ltd.com' and how we intend to protect or use your information.

M&E Ltd. privacy policy relates strictly to information collected online through our website and does not apply to information collected offline or by any other means such as 'other website', 'surveys', telephone interviews, or information collected from any other company or third-party site that may be accessible from our website. We strongly suggest that you acknowledge and read carefully the privacy policy of any other website accessible from M&E Ltd. website, as we will not be responsible or liable for the content or activities of these linked sites.

### **Collection of Personal Information**

As appropriate, you may be asked to provide personal information (for example your name, address, contact numbers, and email address) when ordering or registering on our site, or you can visit our site anonymously. However, in choosing not to provide such information, may result in reduced functionality. The usage of any such information provided by you will be used in accordance with this Policy.

### **Children's Privacy**

Our website is not directed to children under the age of 13 years. We will not knowingly collect personal information from children under the age of thirteen years. In the event we become aware that we have unknowingly collected data from such persons, we will immediately delete the information from our records. In using our site, you imply that you are above thirteen years of age.

### **Technological Information**

As customary of most companies, when you visit our website certain non-personal information that does not relate to a single identifiable visitor will automatically be collected through various technologies. Information such as your (Internet Protocol) IP address, contents requested, internet browser name, and referred sites. This information will be used to enhance you and other visitors experience when visiting our website. If you do not disable such technologies, you agree that we can collect such information and placed these related technologies on your device when using our website and online services. Be cautious; some cookies are essential functions to websites, in disabling these the website may not function properly.

## **Use of Personal Information**

In addition to the above technological usage, we may use your information as follows:

- To communicate with you about our products, services, promotions, surveys, and events, including marketing communications
- To process, evaluate, and administer your requests and inquiries. Process your transactions; communicate to you about your account;
- To enhance and improve our website based on the information and feedback we receive from you
- To improve our customer service by responding more effectively to your requests and support needs
- Your email address provided may be used to communicate to you updates pertaining to your order(s), inquiries, and occasional company news, updates, surveys, and related product and service information

Note: Should you no longer wish to receive further communication from us, you can unsubscribe at any given period.

## **How We Secure Your Information**

At M&E Ltd., It is our objective to protect your personal information submitted to us through this site. We incessantly maintain and manage technical and physical safeguards to protect sensitive personal information you provide on this site. Such as credit card information and personal identification information from unauthorized use, alteration, disclosure, physical and electronic intrusion.

## **Updating Your Personal Information**

You may update your personal information at any given time. Upon request, and after providing proof of identity, you will be allowed to conduct your update.
